## THEME HYMN

### JERUSALEM

1. The olive trees that stand in silence upon the hills of time, To hear the voices of the city as bells of evening chime, The Shofar sounding from the temple to call the world to prayer, The shepherd pauses in the valley and peace is everywhere.

2. The water well for those who thirsted, the ancient market square; Your golden sun that lights the future for all men everywhere. How many songs, how many stories, the stony hills recall. Around her heart my city carries a lonely ancient wall.

3. And far away beyond the desert, a thousand suns will glow. We shall be going to the Jordan, by way of Jericho. My simple voice cannot acclaim thee, too weak the words I choose; Jerusalem, if I forget thee, may my right hand its cunning lose.

Chorus: Jerusalem, Jerusalem, forever young, yet forever old, My heart will sing your song of glory, Jerusalem, Jerusalem, Jerusalem, Oh city with a heart of gold, My heart will sing your songs of glory, Jerusalem.
